

EXHIBIT 3
(Section II, Question 9(c))

OTHER ATTRIBUTABLE MEDIA INTERESTS/OWNERSHIP

General Electric Company ("GE") wholly owns NBC Telemundo Holding Co., which is the single controlling shareholder of NBC Telemundo, Inc. ("NTI"). NTI in turn wholly owns NBC Telemundo License Co. ("LicenseCo"), which is the licensee of the full-power broadcast stations listed on Attachment A-1 hereto.¹ LicenseCo owns all of the issued and outstanding stock of WKAQ Holdings, Inc., which in turn wholly owns WKAQ of Puerto Rico Holdings I, Inc. and WKAQ of Puerto Rico Holdings II, Inc., the general partners of Telemundo of Puerto Rico, which is the licensee of the full-power stations listed on Attachment A-2 hereto. LicenseCo also is the general partner of Station Venture Operations, LP, licensee of the full-power broadcast stations listed on Attachment A-3 hereto, and the sole member of Telemundo Las Vegas License LLC, which is the licensee of the full-power station listed on Attachment A-4 hereto. For clarity, a streamlined pictorial representation of GE's ownership structure is attached to this exhibit. See Attachment A-5.

National Broadcasting Company Holding, Inc. ("NBC Holding"), which is wholly owned by GE, and NBC Universal, Inc. ("NBC Universal"), which is 80% owned by NBC Holding, have an attributable interest in licenses attributable to NTI under the equity-or-debt-plus ("EDP") rule because NBC Holding and NBC Universal indirectly own greater than 33% of the total assets of NTI and serve as a major program supplier to broadcast stations owned or controlled by LicenseCo.²

GE indirectly holds a 38.6% voting interest in ValueVision Media, Inc. ("ValueVision"), licensee of Station WWDP(TV), Norwell, MA. GE neither has nor exercises control of ValueVision by virtue of this ownership interest.

Duncan Ebersol has an attributable interest in the respondent based on his position as an officer of the respondent or one or more of its corporate affiliates. Mr. Ebersol and his spouse, Susan St. James, each owns 23.2% of the outstanding stock of Local Girls and Boys Broadcasting Corporation ("LGBBC"). LGBBC is the licensee of a 3,000 watt FM station, WZBG, Litchfield, CT. Mr. Ebersol and Ms. St. James are both Directors and Vice Presidents of LGBBC. Mr. Ebersol is not "actively" involved in management and operations of LGBBC.

¹ Station KMAS-TV, Steamboat Springs, Colorado, is licensed to LicenseCo but is in the process of being donated to a noncommercial entity, pursuant to prior Commission approval.

² Station KWHY-TV, Los Angeles, California, licensed to LicenseCo, is not affiliated with either NBC or Telemundo Networks, both of which are owned by NBC Universal, but is located in the same market as other GE-owned broadcast stations. Telemundo Communications Group, Inc., which is wholly owned by NBC Universal, also has an attributable interest in certain stations owned by NTI under the EDP rule.

Jay Ireland has an attributable interest in the respondent based on his position as an officer or director of the respondent or one or more of its corporate affiliates. Mr. Ireland is a trustee on the Board of Trustees of St. Lawrence University, licensee of WSLU(FM), Canton, New York. Mr. Ireland is not "actively" involved in management and operations. (Canton, New York, is located more than 200 miles from any station in which LicenseCo has an attributable interest.)

Claudio X. Gonzalez is a Director of Grupo Televisa, which has had an attributable interest in Univision Television Group, Inc., licensee of several television stations. Mr. Gonzalez has certified that as a GE Board member, he will not participate in any Board discussions or voting with respect to any matter specifically concerning NBC or Telemundo broadcast station subsidiaries. See FCC File No. BALCT-971027IB.

Roger S. Penske has less than a one percent limited partnership interest in a fund that in turn holds an interest in Cherry Creek Radio, LLC, which, as a matter of Commission record, owns several radio stations with community of licenses outside the projected Grade A contour of any full-power television station in which NBC Universal (or NTI) currently has an attributable interest.
